Event Director for a Mass Sporting Event.

Dr. Pranati Tilak has recently written a book titled “Legendary Lokmanya” which was released by renowned author and philanthropist Smt. Sudha Murthy. The book contains concise and crisp information about important milestones from Lokmanya’s life along with some rare, never seen before photos.

A wise leader adapts to the changing world, shaping the growth of her workplace through innovation and a clear vision. Similarly, Dr. Pranati Tilak has been instrumental in the expansion of Tilak Maharashtra Vidyapeeth into newer avenues and dimensions of education. She started her journey in Tilak Maharashtra Vidyapeeth immediately after her marriage as a visiting faculty member in the Department of Management Studies, not wanting to be placed directly into positions of power but to work her way up along with her team. Her ability to work as a bright team member and steer them to success as a capable and humble leader today is evident in the respect and popularity she has gained amongst all her team members.

Dr. Pranati Tilak has established several colleges and a school under her leadership; she has also nurtured the establishment of TMV’s, Navi Mumbai campus in Kharghar. She has overseen the campus right from the phase of its construction, to the bustling campus it is today with 2 colleges and programs like Law and Bachelors of Computer Applications with over 900 students moving around within its premises.

Dr. Tilak is known for her strong focus, unwavering perseverance and resilience when she takes up any new projects.

These abilities have helped her to move from a role of a student of Tilak Maharashtra Vidyapeeth, to a visiting faculty, Chairman of Distance Education to the position of Trustee, Dean, Director of several colleges and Chairman of the School which she holds today.

She has been honored with over 45 awards on both National and International stages, a testament to her outstanding contributions in various fields. In addition to her numerous awards, her intellectual proficiency is evident in her extensive research portfolio. She has authored over 60 publications, holds 5 Patents and 2 Copyrights showcasing her dedication to advancing knowledge on both national and international platforms. Her commitment to research and the dissemination of valuable insights has undoubtedly contributed significantly to her standing as a respected figure in academia and beyond.

Dr. Tilak believes firmly in the importance of striking a

work - life balance. She enjoys travel and exploring newer destinations; she has been going on Solo trips to different countries and in India for over a decade now and calls them her soul food.

Dr. Tilak believes that meditation and exercise are the best medicine for a fresh mind, and has included them in her daily routine.

While she is known to have an iron will, Dr. Pranati Tilak is also a leader who shows kindness and compassion to her team. She is popular among her team members for her fair and ethical practices.

She is constantly looking for ways to provide better educational opportunities to her students and the institute. A go-getter with forthrightness, candor and a gratifying commitment to service, she is a role model for many and her contribution to education is indeed commendable.

(Upto 400 words)**

Having done Ph D in Management, Masters in Commerce, M. Com. I have also taken up a Masters' Degree in management education at the University of Pune. I have a variety of experience with leading educational institutions like Symbiosis, Naralkar Institute and others, before taking up teaching as my profession at the Tilak Maharashtra Vidyapeeth Pune. I have been teaching Commerce and Management-related papers at TMV for undergraduate as well as post-graduate classes. I have developed a special interest in developing and use of computing software and thereby, I have been developing various short-term courses useful to make my students industry-friendly and industry ready. I am fond of developing special rapport with the students, such that, they can express their concerns and experiences with me, easily and regularly. To equip students better, we have been organizing several events and programs out of the box- classrooms- like industrial visits, industrial surveys and constant dialogue with the industry experts. This has enabled the students to have experiential learning and practical hands-on training irregularly. I have written more than 29 research papers in various national and international and UGC-approved peer-reviewed journals. I have also been taking the initiative to inculcate social awareness among students and thereby many social work activities are planned and executed effectively with the group of students.
