The NSS volunteers organized a cleaning drive across the campus, focusing on classrooms and the passageways of the buildings. The students divided into groups and began by sweeping and mopping the floors of the classrooms. They carefully dusted furniture and wiped down windows to ensure a neat and hygienic environment. In the passageways, they collected waste, cleaned walls, and ensured all areas were free from debris. The volunteers worked diligently, displaying a strong sense of teamwork and responsibility, contributing to a cleaner and more pleasant campus environment.

Specific outcomes:

- ☐ **Enhanced environmental awareness** among students about the harmful effects of plastic pollution and the importance of proper waste disposal.
- ☐ **Improved cleanliness** in and around the Tilak Maharashtra Vidyapeeth campus, creating a cleaner and healthier environment.
- ☐ **Increased student participation and teamwork**, fostering a sense of social responsibility and community service.
- ☐ **Proper disposal of collected waste**, with 6–7 kg of plastic handed over to the Pune Municipal Corporation for safe and eco-friendly management.
