DIPLOMA IN INDOLOGY (CODE - 345)

Introduction

The Diploma in Indology is a specialized academic program designed to provide in-depth knowledge of India's rich cultural, philosophical, historical, and literary heritage. The course introduces students to ancient Indian traditions, languages, art, religion, and social thought.

Indology explores the foundations of Indian civilization through the study of Vedic literature, epics, classical philosophy, archaeology, art, and cultural history. This diploma aims to develop a scholarly understanding of India's intellectual traditions and their relevance in the modern world.

The program combines theoretical study with textual analysis and cultural interpretation, enabling learners to appreciate India's timeless knowledge systems and cultural diversity. It is ideal for students, researchers, and enthusiasts interested in Indian heritage, culture, and traditional knowledge.

Objectives

- To provide comprehensive knowledge of India's cultural, historical, and philosophical heritage.
- To introduce students to do classical literature, and traditional knowledge systems.
- To develop understanding of Indian religions, art, architecture, and social institutions.
