

TILAK MAHARASHTRA VIDYAPEETH

Declared as Deemed to be University Under Section 3 of UGC Act 1956

Reaccredited by NAAC with 'B++' Grade

ISO 21001 : 2018 Certified

Criterion	VII
Metric	7.3.1
Metric Description	Highlight the performance of the institution in an area distinct to its priority and thrust

Metric Response:

With a heritage that speaks for 102 years of India's glorious past, with Lokmanya Tilak's idea of "Chaturshruti," it unites Indian traditions with a worldwide view. TMV supports education, Swadeshi principles, and Indian Knowledge System (IKS) for the leadership and socially responsible leaders.

TMV's Sanskrit and Indology departments play an important role in preserving the cultural heritage of India by producing resources such as "An Overview of Indian Knowledge Systems". The Ayurveda Department offers a vast repository of knowledge through the Triskandha Kosha Project. Innovations like Ayuta Nidan (diagnostic CD) and Ayuta Upachar (treatment software) complement this effort. TMV's curriculum deals with Sanskrit, Pali, art, architecture, and ancient science, fostering cultural and intellectual legacy.

In line with IKS and Lokmanya Tilak's Chaturshruti, Tilak Maharashtra Vidyapeeth impart education about Lokmanya Tilak's principles through Many Courses. Multidisciplinary initiatives include a certificate course in "Geeta Rahasya," bridging Indian philosophy and modern education.

TMV is the first ISO 21001:2018-certified university in India. This assures high global educational standards. Through its holistic approach, TMV empowers students to excel in a globalized world while staying rooted in Indian values and cultural heritage, preparing them as ethical leaders for a dynamic future.
