NOTICE FOR THE STUDENTS

Commencing of Online Academic Sessions

We are pleased to inform that, we will be commencing our online academic sessions for the academic year 2020-21 from August 2020.

It is necessary for all the students to complete their admission procedure before starting of the online academic sessions. Forms for online admission are available on our website.

It is very important to note and understand that, once the lockdown is eased out and the Govt. permits re-opening of educational institutions, the students will be required to give their backlog and regular examinations in order to maintain high academic standards.

Be prepared, stay connected! We will be happy to welcome you to online academic sessions!!
