## **National Conference on Medico-Legal challenges in Modern Healthcare**

On 26th April 2025, the National Conference on Medicolegal Challenges in Modern Healthcare was convened in Pune with around 500 registrations and attendees. This one-day conference aimed to address the complex interplay between medical practice, legal frameworks, and ethical considerations in contemporary healthcare. The event brought together legal professionals, medical practitioners, ethicists, and academicians to deliberate on pertinent issues affecting the healthcare sector in India.

The conference commenced with the arrival and welcome of the esteemed guests, followed by the traditional lighting of the lamp ceremony. The formal welcome address was delivered by Dr. Rohini Honap, Head of Department and Principal of Lokmanya Tilak Law College, setting the tone for the day's proceedings. This was followed by the keynote addresses presented by Adv. Dr. Rajendra Anbhule and Dr. Meenakshi Pandit, who offered valuable insights into the theme of the conference.

A dedicated medicolegal session was then conducted by two expert resource persons—Advocate Abhay Nevagi and Mr. Rajendra Kokare—who elaborated on key legal challenges in modern healthcare. In the afternoon, a panel discussion took place featuring distinguished panelists: Advocate Abhijeet Hartalkar, Dr. Uday Pote, and Shri Yogiraj Prabhune. The panel was followed by an interactive question and answer session, allowing participants to engage directly with the speakers. The conference concluded with a formal vote of thanks, marking the successful completion of the event.
