

Vice Chancellor, Dr. Geetali Tilak engaged in an insightful interaction during her visit to JETRO (Japan External Trade Organisation)

Our Vice Chancellor engaged in an insightful interaction during her visit to JETRO (Japan External Trade Organisation). The discussions around fostering global partnerships, training, learning, and placement opportunities in Japan were truly inspiring. Exploring pathways for our students to gain international exposure and hands-on experience reflects a shared commitment to creating a skilled, future-ready workforce. This visit marked a meaningful step towards collaborations that blend tradition, innovation, and global career development.
